

Overview	
Proposal	<ul style="list-style-type: none"> The applicant proposes an “Dwelling, Assisted Care” (Specialized Long Term Care) at the Subject Property. The proposed development includes 5 stories with 240 resident units. See attached location maps and site plan.
Background	<ul style="list-style-type: none"> The Subject Property is currently vacant agricultural land owned by the Provincial Government. The Subject Property is zoned Institutional (I), in which a “Dwelling, Assisted Living” land use is a discretionary use due to the proposed height. The Subject Property is located within the Airport Height Overlay and the Wascana Height Overlay area.
Process	
Review/ Decision	<p>Following the public and technical review process, which is currently underway, the Administration will submit a report to the <u>decision authority</u>, which will include a summary of the public comments, as well as Administration’s recommendation.</p> <p>The decision authority respecting discretionary use applications is the City Development Officer, unless the application warrants review and decision by City Council, in accordance with the discretionary use review criteria of the Zoning Bylaw (Ch.1, Part 1D, Section 1D.1 [1.2], [2a]).</p> <p>Applications directed to City Council will be considered, first, by the Regina Planning Commission (RPC) who will then provide a recommendation to City Council – for both the RPC and the City Council meetings, the public may attend and provide comments either verbally, at the meeting, or in writing.</p> <p>If you wish to be kept informed about the date and time of these meetings, be sure to give the City your contact information.</p>
Updates	Visit Regina.ca/proposeddevelopment for updates on this application.
